

Innovating, Optimizing, and Advancing Antithrombotic Treatment in Atrial Fibrillation

Monday, October 24 2016 • 12:30 – 2:00 pm • Montreal, QC

Program Evaluation

On a scale of 1 (poorly) to 5 (greatly) how effectively were each of the learning objectives met?

After attending this session, you will be able to:

Integrate recent data from randomized trials and national and international databases and registries on the real-world use, effectiveness and safety of oral anticoagulants in patients with AF

1 2 3 4 5

Consider additional treatment scenarios such as AF with concomitant coronary artery disease, and recognize the role of various antithrombotic agents for stroke prevention in such settings

1 2 3 4 5

Individualize antithrombotic therapy and practice effective DOAC usage in patients with special considerations, whilst balancing risk of bleeding with the benefit of stroke prevention

1 2 3 4 5

On a scale of 1 to 5 (1 = low, 5 = high), please rate this program on the following criteria:

Originality

1 2 3 4 5

Effectiveness

1 2 3 4 5

Interactivity (25%)

1 2 3 4 5

Please rank the following statements regarding each presentation using a scale from 1 (disagree) to 5 (agree):

Introduction and Chairing of Symposium – Dr. Laurent Macle

The chair fulfilled his role

1 2 3 4 5

The topic of the symposium was well introduced

1 2 3 4 5

The chair facilitated the discussion in an interactive manner

1 2 3 4 5

Real-world Evidence for Oral Anticoagulation – Professor Gregory Lip

The content was well delivered

1 2 3 4 5

The information was relevant to my current practice

1 2 3 4 5

I acquired new knowledge

1 2 3 4 5

Stroke Prevention in Atrial Fibrillation Patients with CAD/ACS/PCI – Dr. L. Brent Mitchell

The content was well delivered

1 2 3 4 5

The information was relevant to my current practice

1 2 3 4 5

I acquired new knowledge

1 2 3 4 5

Complex Case for Stroke Prevention in AF – Dr. Paul Dorian

The content was well delivered

1 2 3 4 5

The information was relevant to my current practice

1 2 3 4 5

I acquired new knowledge

1 2 3 4 5

Program Evaluation (cont'd)

Please indicate one or two changes that you will be able to apply to your practice?

Please explain:

What future topics would support you in your practice?

Please explain:

Did you perceive any sources of commercial bias during the symposium? ☐ Yes ☐ No

If yes, please explain:

Please circle one or two words that best describe your experience at this sponsored symposium:

Wow! Same old, same old Interesting Boring
Stale *Fresh* **Impactful**
 ORDINARY Out of the box

Comments:

Thank You!
